

**Extraordinary scenic tour of Hunan and Guangxi
(13 days + extensions of stay)**

Zhangjiajie – Tianmen – Furong – Fenghuang – Danian -
Zhaoxing - Longji - Guilin – Yangshuo

A combination of amazing landscapes to see in China

The idea of this tour is to connect Zhangjiajie by land to Guilin, two regions considered to be among the most beautiful in China. From the Zhangjiajie Forest Park, with its thousands of rocky pinnacles entangled in dense subtropical vegetation, you will descend further south towards long isolated regions mainly inhabited by ethnic minorities in villages out of time : Furong a Miao village hanging on the cliff of a waterfall; the ancient city of Fenghuang, the Dong village of Zhaoxing renowned for its wooden architectures, and Ping'an in the heart of the Longji rice terraces ranked in the top 5 of the most beautiful rice fields in China... An unforgettable journey of great diversity, which will end with the discovery of the famous karst landscapes of the Li River between Guilin and Yangshuo.
